

Members of Japan National Committee for IRDR Subcommission

9 April 2010

Name	Position & Affiliation	Specialty
Syunsuke IKEDA	Chief, Ikeda Labratry, CTI Engineering Co.,Ltd.	Hydrodynamics, river engineering
Teruyuki NAKAJIMA	Atomosphere and Ocean Research Institute (AORI), the University of Tokyo	Climatic modeling, Atmospheric Physics
Masanori HAMADA	Professor, Faculty of Science and Engineering, Waseda University	Earthquake Engineering
Kojiro IRIKURA	Adjunct Professor, Aichi Institute of Technology	Strong motion seismology
Yumio ISHII	<i>Adviser</i> , CTI Engineering Co.,Ltd.	Water Resources & River Engineering, Civil Engineering Consultant
Yoshiaki KAWATA	Director and Professor, Faculty of Safety Science, Kansai University	Disaster Reduction, Emergency Management
Toshio KOIKE	Professor, Dept. of Civil Engineering, the University of Tokyo	Hydrospheric Atmosphere, Water resources
Masaru KONO	Professor, Global Edge Institute, Tokyo Institute of Technology	Geophysics
Toshimitsu KOMATSU	Professor, Dept. of Urban and Environmental Engineering, Faculty of Engineering, Kyushu University	Environmental Engineering on Coast and River, Disaster Prevention
Kenji SATAKE	Professor, Earthquake Research Institute, the University of Tokyo	Large earthquakes, tsunamis
Kaoru TAKARA	Professor, Research Division of Disaster Management for Safe and Secure Society, Disaster Prevention Research Institute, Kyoto University	Hydrology, Frequency Analysis of Extreme Events, Disaster Prevention Technology and Policy Research
Kuniyoshi TAKEUCHI	Director, International Centre for Water Hazard and Risk Management, Public Works Research Institute	Hydrology, Water resources management, Flood risk management
Shigeko HARUYAMA	Professor, Graduate school of Bioresources, Mie University /Prisident, IGU Hazard and Risk Commission	Regional planning, Applied Geomorphology
Yukio HIMIYAMA	Professor, Faculty of Education, Asahikawa Campus, Hokkaido University of Education	Geography
Toshio KUWAKO	Professor, Graduate School of Decision Science and Technology, Tokyo Institute of Technology	Environmental Philosophy, Consensus Building
Fumitake GEJYO	President, Niigata University	Clinical Medicine (Nephrology), Biomedicine for Pathogenesis
Atsushi KORESAWA	Executive Director, Asian Disaster Reduction Center (ADRC)	Disaster Risk Management, Governance, Regional and Urban
Kyoji SASSA	Executive Director, ICL (International Consortium on Landslides)	Landslide Dynamics, Disaster Risk Assessment
Kishie SHIGEKAWA	Professor, Graduate School of Environment and Disaster Research, Fuji Tokoha University	Education and Training for Disaster Prevention
Atsushi TANAKA	Director, Center for Integrated Disaster Information Research Interfaculty Initiative in Information Studies, the University of Tokyo	Social Psychology, Natural Disaster Science
Hye-Sook PARK	Faculty of Humanities, Law and Economics, Mie University	Environmental Geography, Ecological Education
Kumi HAYASHI	Head , Tokyo Climate Center, Climate Prediciton Division, Grobal Environment and Marine Department, Japan Meteorological Agency	Meteorology, Weather Forecasts and Analysis
Haruo HAYASHI	Director and Professor, Research Center for Disaster Reduction Systems, Disaster Prevention Research Institute, Kyoto University	Social Psychology, Emergency Management
Kimiro MEGURO	Director/Professor, International Centre for Urban Safety Engineering, Institute of Industrial Science, The University of Tokyo	Urban Earthquake Disaster Mitigation Engineering, Disaster Management Strategy
Tsuneyoshi MOCHIZUKII	Exective Director, Japan River Association	Water Resources Engineering, River basin Management
